Re: LR Acquisitions, Inc. dba Lyons Roofing

To Whom It May Concern:

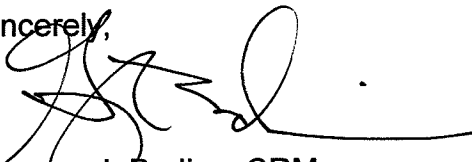

It is my pleasure to write this letter on behalf of Lyons Roofing. I have been their insurance broker since the inception of the company. From the very first meeting that I had with Rhonda and Paul they have been open, honest, thorough and forthcoming with any information that I have requested and have always shared additional information that was not asked of them but that they thought might be pertinent to the discussion.

They have taken professional advice and implemented policies and procedures that have made them a better and safer organization today. My Customer Service Representatives that have worked with any member of the Lyons Roofing organization over the years have found them very professional.

They continually pay their insurance premiums in a timely manner.

Lyons Roofing has been and continues to be one of my best clients and certainly one that I thoroughly enjoy working with because of the character of the individuals that make up the organization. Rhonda and Paul are the type of people that if they give you their word it means something and you can count on it. Should you have any questions or if I can be of any further assistance please contact me.

Sincerely,

Gregory J. Budiac, CRM
Vice President
